

Musical Theatre Worksheet 1

Hi everyone, this is Miss Gemma with the first Musical Theatre homework sheet of the new term! My YouTube channel has silly videos containing demonstrations of dances we have done together. I will probably add more through the term! Have fun!

More theatre-y things for you to watch...

- Here's some great performers from Matilda: <https://youtu.be/A06-8IWjFSE>
- Here's Skimbleshanks from Cats: <https://youtu.be/SIdajoEmIXY>
- And some singers doing This Is Me: <https://youtu.be/DNfMs2ZWvzM>

If you can't watch videos but still feel like doing a bit of performance practise...

- Practise the songs! We'll try to do new songs every week. Here's a link to the backing tracks of the songs we have done so you can use them to practise:

- Think about what other songs you like and write them down on a list as you think of them!
- Make up a dance to one of your favourite songs. You can't really get it wrong! I'd love to see a video of your choreography at the end of term... 😊 Send me videos of your singing practice too if you like!
